

Antonio Pacelli Repairs Information

**Please note that we only repair and retip the following brands:
Antonio Pacelli - Fays - Rutherfords**

We do not repair/retip other brands so please ensure your jig shoe is one of these before sending. If you are not sure of the brand of your jig shoes, then we strongly recommend that you send us some pictures of the shoe so we can advise further. Unfortunately we cannot accept responsibility for the cost of carriage of returning other branded jig shoes to you, so if in doubt please do get in touch first.

How to have a trouble free repair

1. Complete the repair form. If you would prefer not to include your credit card details then please tick the box requesting a credit card call and we can call you to get this information over the telephone. Please note that we work on GMT time so if you are in a significantly different time zone then the call may be quite late/early your time.
2. Package the shoes well (please send the pair even if the repair is only to one shoe so we can check for consistency post repair) and include a copy of the repairs form with the parcel.
3. We recommend that you send your shoes on a recorded delivery service as we cannot accept responsibility for any shoes lost in transit.
4. Please mark the outside of the box and the customs form (only needed if sending from outside the EU) 'Returning to manufacturer for repair' to avoid any delays and charges with customs. We cannot be responsible for any charges occurring from this being omitted.
5. Please allow 10-14 days for the repair to be completed, especially during busy times of year (e.g. before major championships and the start of term). Please add transit time both ways when calculating how long you will be without shoes. We can return your shoes on a fast service if needed. Please tick the express return box on the form if you would like this service. We will email you the additional cost for you to authorise before sending. If we do not hear from you within 24 hours we will return on our normal service to avoid further delay.
6. Please note that you will be charged outbound postage to return your shoes to you. This charge is in addition to any repair or retipping charges.

Please send your repair to this address

Antonio Pacelli Returns Department
14 Hallmark Trading Estate
Fourth Way
Wembley HA9 0LB
England
