

Antonio Pacelli Refund/Exchange Information

How to have a trouble free refund/exchange

1. Please complete the returns form. If you would prefer not to enter your credit card details then please tick one of the credit card boxes on the form. Please note that if you have requested a credit card call that we work on GMT time so if you are in a significantly different time zone then the call may be quite late/early your time.
2. Please ensure you indicate whether an exchange or refund is required for each item returned.
3. Package the items well and include a copy of the returns form with the parcel. Please do not mark shoe boxes with tape or stamps. An easy way to return is to turn the courier bag the items arrived in inside out and use this to return items.
4. We recommend that you send your return on a recorded delivery service as we cannot accept responsibility for any items lost in transit.
5. Please mark the outside of the box and the customs form (only needed if sending from outside the EU) 'Goods being returned to manufacturer' to avoid any delays and charges with customs. We cannot be responsible for any charges occurring from this being omitted.
6. We aim to process all returns within 2 working days of receipt but if you are in a hurry for the replacement item then we recommend that you order the needed item from the website straight away and return the unwanted item for a refund rather than waiting for an exchange.
7. If you believe an item to be faulty then we strongly recommend that you contact us before returning the item to us so we can confirm the fault and that it is not due to normal wear and tear, inappropriate wear or mis-fitting.
8. Please note that you will be charged outbound postage for exchanges unless the original item was faulty or despatched incorrectly. On these rare occasions any replacement item(s) would be sent free of charge and you would be refunded for the cost of sending the item back to us.
